

UPGRADE TO FREEDOM

Repower your boat with a V6-240CE &
receive a free upgrade to V8-300CE.

Part of the Aquamatic range, the V8-300CE is an 8 cylinder, 5.3 litre, freshwater cooled, direct injected gasoline engine with catalyst which can be fully integrated with Volvo Penta's management system & glass cockpit. **Enjoy savings up to \$4000 & find freedom in easy boating.** Contact Seamech to find out more & your local Volvo Penta dealer. T&Cs apply.
